CREATOR KIT

WWW.MAKEAFORT.FUN

BUILD TIPS

Always start with a corner

Use braces to strengthen corners

Use side walls to strengthen long walls

GET INSPIRED

Download step-by-step instructions at www.makeafort.fun
(all creations above require one Explorer Kit and one Creator Kit)

USAGE

Keep away from things that get hot

Never sit on, climb on, or jump on

Never enclose a person or animal

Avoid getting wet

Easier to build on a rug or carpet

Straighten bent panels to reuse

Experience marks on connectors are normal

Color back of panels with crayons, markers, or non-toxic paint
